invaluable as a work of reference to the sinews that held british india together this lists all officers of the indian army between 1760 and 1837

a meticulously researched biography of a young officer in the early part of the 19th century the son of an admiral richard purvis went to sea in nelson s navy at the age of 11 before being commissioned at the age of 15 into the bengal army part of the great east india company he went on to serve 17 years in india before returning to become a country parson the emphasis of this book is on his indian military service with the story told largely through an extensive collection of previously unpublished contemporary letters these give a unique and intimate insight into the daily lives difficulties ethos and humour of young british officers in india during the napoleonic period there was of course danger and action too and purvis s role in the nepal war is described patronage was also a feature of a young ambitious man s life during the georgian period and the workings of this are fascinatingly revealed

spine title iolr a brief guide to biographical sources

what exactly is military history forty years ago it meant battles campaigns great commanders drums and trumpets it was largely the preserve of military professionals and was used to support national history and nationalism now though the study of war has been transformed by the war and society approach by the examination of identity memory and gender and a less euro centric and more global perspective generally it is recognised that war and conflict must be integrated into the wider narrative of historical development and this is why ian becketts research guide is such a useful tool for anyone working in this growing field it introduces students to all the key debates issues and resources while european and global perspectives are not neglected there is an emphasis on the british experience of war since 1500 this survey of british military history will be essential reading and reference for anyone who has a professional or amateur interest in the subject and it will be a valuable introduction for newcomers to it
